

ENTERTAINMENT:

Not only do we have on-track action on our 3, 267 km long track that any petrolhead will enjoy, there is off-track entertainment for the rest too!

Picnic or Braai:

Bring your camping chair, gazebo, skottel or braai and make a day out of the racing by picnicking on the inside of Blockcoin Corner (Turn 1) or on the embankment between Castrol Corner (Turn 2) and Damp's Dip (Turn 3).

Hot Laps

Six lucky winners, chosen by lucky draw, will be strapped into the twin-turbo MasterDrive Audi for three thrilling laps each of the circuit. In addition, Tracktion Driving Experiences are offering adrenalin-pumping passenger drift experiences all day on the MasterDrive skidpan – adjacent to Gate 3 on the spectator access road – at a cost of R200 per person, for passengers aged 12 and over.

Kiddies Play Areas

Our Kiddies Korner boasts lots of entertainment for the young ones! Mom and Dad can enjoy the day's racing from the Clubhouse Balcony while the kid/s have some fun on the jungle gym, go-carts and sandpit.

There is also another jungle gym opposite the Joubert Pits overlooking the main straight, including trampolines and swings.

Live Music

Grab a drink and relax to the sound of soulful music at our very own Beer Garden, situated in front of the Clubhouse Tuck Shop during Summer or upstairs in the Clubhouse during Winter.

Live Data and Statistics

Be up to speed with the latest stats and data of every race with SPEEDHIVE. View the results, lap times and live timing on their APP or WEBSITE from anywhere on the track.

TV entertainment is also available with a touch of a button with live footage of the day's racing being streamed on IMUSAT's YouTube channel.

This footage will also be shown on screens around the facility, including the Clubhouse Balcony, the Joubert Pits Lounge, the Pheiffer VIP Lounge and Killarney Boma 2, better known as the Premium Motorsport Hospitality Experience.

Unlike most other circuits, Killarney offers an open-pit policy. This means that spectators are allowed to enter the pits with no special permission needed. Meet the racing drivers/riders and see what goes down behind the scenes.
